Dear MCDA Partner in Support:

I would like to invite you to become a sponsor of the Michigan Community Development Association (MCDA) 2024 Annual Conference taking place in Holland at the Haworth Hotel on October 10-11, 2024. Our Annual Conferences are well attended and feature relevant speakers and pertinent topics that enhance community development programs throughout Michigan.

This multi-day conference will offer exposure of your organization throughout the event to fellow community development professionals. Sponsors can choose from several levels of sponsorship opportunities and will receive logo representation on the conference registration page leading up to the event and energetic promotion of their organization during the conference.

Please review our 2024 sponsorship opportunities. You and your organization will be featured to conference participants and speakers including community and economic development directors, nonprofit and for-profit housing and community development professionals, and federal, state and local government officials.

Attached please find the 2024 sponsorship information to assist you in finding the right level that meets your needs, budget and time. To get the most out of your sponsorship, we encourage you to respond as soon as possible. A response by **July 1st** will allow us to work with you to provide the most value for your sponsorship.

To further discuss these sponsorship opportunities or to receive more information, please contact Cheryl Anne Farmer at (734) 498-3188 or [admin@mcdahome.org](mailto:admin@mcdahome.org)

My best regards,

*Liz Koto*
